To shed more light on the poster presentation format, here are some details:

• Please send the presentation files (in both PPTX and PDF formats) to the SOICT organizers via email contact@soict.hust.edu.vn no later than November 25, 2024. The subject of the email should be "Poster – ACCEPT - PaperID".
• To better assist authors, the organizers will handle the printing (for free) and setup of your poster, ensuring a hassle-free experience for you. 2.Poster Exhibition
• Your poster will be on display in the exhibition rooms throughout the entire day of your presentation in SOICT, providing all participants with the opportunity to engage with your research, not just during your designated presentation session.

• Additionally, for SOICT 2024, we are introducing a 3D virtual exhibition featuring all posters online. This web-based platform will remain accessible for at least one month after the conference, allowing for extended visibility and interaction with your work.

We genuinely believe that the poster presentation format will foster a rich and collaborative environment for sharing knowledge, networking, and building lasting connections with fellow researchers. Your paper's selection for poster presentation is a testament to its significance and contribution to the conference.
